Dependent/ Independent Student Student Financial Aid Office

A. STUDENT INFORMATION

What is Verification?

Your application was selected for a review in a process called "Verification." The Office of Student Financial Aid must compare information from your FAFSA with this Verification Worksheet, a 2022 Federal Income Tax Transcript and other financial documents. The law says we have the right to ask you for this information before awarding Federal Aid. If there are differences between your application information and your financial documents, you or your school may need to make corrections electronically or by using your Student Aid Report (SAR). Complete this verification form and submit as soon as possible to prevent delays.

[Your school must review the requested information, under the financial aid program rules (CFR Title 34, Part 668)]

What you should do:

- Complete and sign this worksheet. Please do not leave any sections blank.
- 2. Send the completed worksheet, tax forms, and other documents to the Student Financial Aid Office.
- We will compare information on this worksheet and supporting documents with the information you submitted on your application and will make any corrections needed (if possible), or will contact you to make the corrections.
