

ABA Behavior Technician/Line Therapist Position

The Autism Therapy Group /Funtastic Gymnastic Inc. (ATG) is hiring ABA Behavior Technicians/Line Therapists for positions in IL, WI, & TX,. Opportunities are part-time and start at \$18.00 per hour. Our ABA Behavior Technicians/Line Therapists average 8-10 hours per week (most session hours are between 4:00 p.m. to 8:00 p.m.). There will be opportunities to increase hours as the company continues to expand. ATG offers generous bonuses, for exceptional performance.

Client Training

- Implement programs based on ABA principles that increase communication, self-help, social and play skills.
- Manage inappropriate behaviors that occur.
- Facilitate interactions with peers.
- Keep the children motivated to learn.
- Toilet training may be required.

Client Progress Communication

- Accurately record information on the child's progress.
- Be courteous & professional with families, organizations & children and represent our company in a positive light.
- Communicate confidently and professionally with behavior analysts, teachers, parents and principals.

What's in it for you:

- Future growth opportunity into more senior roles within our company.
- A chance to make a meaningful impact on the life of those served and their families.
- The opportunity to gain Supervised Independent Fieldwork hours for those in need of practicum.

Required Skills/ Experience

- An Associate's or Bachelor's degree in Psychology, Education, Special Education or related field preferred. **Candidate with no degree will be considered based on experience.**
- Must have reliable transportation to travel to client homes and work at center.
- You should be able to lift up to 25 lbs. routinely.
- Regular and timely communication with supervisors while employed with our company.
- Ability to pass a state and federal background check.

Desired Skills/ Experience

- You might have experience working with children ages 3-22.
- You might have experience working in a home or school setting with individuals with special needs.
- You might have experience with Applied Behavior Analysis or Discrete Trial Training.

Immunizations

- TB Testing (completed within the last year).
- Proof of MMR immunity or vaccination.
- Proof of Varicella immunity or vaccination.
- Proof of Hep B immunity, vaccination or declination of inoculation.
- Pertussis immunity, vaccination or declination of inoculation.
