✓ Core Courses (42 sch)				AAS Complete SWTJC Total 64 sch		

⁰ EDUC 1100 required of all first time in college students. COLS 0300 required for students with any TSI deficiencies and does not count toward a degree.

¹This course must be completed with a minimum grade of "C" prior to applying for admission to the ADN program.

² Selected from SWTJC courses ARTS 1301 or MUSI 1306.

³Pathophysiology must be taken before being admitted to the BSN program at ASU. Students who are unable to take the course at Howard College or through the Virtual College of Texas can take the course at ASU in the summer prior to beginning the BSN program. HPRS 2301 or RNSG 1311 can transfer from a Texas community college to satisfy this requirement.

Our faculty and staff are pleased that you have indicated interest in this ASU degree program. To help you achieve your higher education aspirations an ASU advisor will provide you with additional information and any help you may need. As Assistant Director of Admissions, I want to welcome you and assure you that the SWTJC college level courses noted above will all transfer toward the major you have indicated. You must of course meet ASU's admission and GPA requirements. We look forward to your graduation.
