The salary schedule for professional personnel is administered as follows:

1. Each Vice President with the approval of the President determines the classification for each position within their area of responsibility.
2. Each employee is placed in the appropriate job classification bracket on the salary schedule according to the nature of the job.
3. Movement from step to step on the salary schedule is automatic each year of experience until the maximum has been reached for that job classification, provided the Board approves steps for the upcoming year. If the employee performs their job in an exemplary manner, the supervising Vice President may recommend that their salary be adjusted not to exceed four steps on the schedule.
4. If individual job responsibilities change, the supervising Vice President may recommend that the job classification be upgraded or downgraded as necessary.
5. At the discretion of the supervising Vice President, new employees may be given credit on the salary schedule for job related experience earned with other employers up to a maximum of 10 years. Otherwise, all new employees will start at the beginning salary for their group.

Personnel scheduled in clerical positions are classified as exempt hourly employees and are paid monthly. Each clerical employee is required to record time worked in the Kronos time system. The employee will record a beginning, lunch break, and ending work time. In the event that leave time is taken it will be recorded as sick, vacation, compensation, bereavement, or holiday leave (please see DEC LOCAL & LEGAL in the SWTJC Policy Manual for definitions and requirements of leave statuses).

All information must be entered accurately and submitted in a timely manner by the employee to his/her supervisor for approval (dates for submission and approval may be found at www.swtjc.edu on the Human Resources page). The supervisor's approval regarding accuracy and completeness must also be submitted in a timely manner.

Information received in the payroll office after the designated time is considered late and will not be processed until the next monthly pay period.

Any further questions should be directed to campus payroll.

Each full time clerical employee should work forty (40) hours per week. Overtime will only be allowed with prior approval of immediate supervisor. Clerical employees, as exempt employees, will receive compensation time at one and one-half of scheduled time as payment for overtime. This compensation time may be used as scheduled and approved with the employee's supervisor. Clerical employees will only receive cash payment for overtime when the department's Vice President deems necessary.

Payroll payments are only made by direct deposit and are deposited on the 20th of the month. Each payment is for time worked from the first through the last day of the month.
