## EMPLOYMENT OPPORUNITY

### TWO RIVERS RANCH

**Who:** Two Rivers Ranch Management Company, LLC is a multi-generation family-owned production agriculture businesses with cow-calf, stocker, farming, wildlife, and hunting enterprises.

**What:** We are looking for a full-time ranch hand with experience in production agriculture. They must be a self-starter, motivated, creative, and adaptable to change. This individual will be asked to work independently and in a team setting. Great communication skills both written and verbal along with being forward thinking and driven are a must. Computer skills and knowledge of Microsoft Office and Google Earth programs are a plus.

**When:** As soon as possible.

**Where:** Two Rivers Ranch is located an hour west of San Antonio, Texas. The main ranch is located 18 miles south of Sabinal, Texas and is between the Sabinal and Frio River Crossing.

**Benefits:** Off ranch housing, work vehicle, company phone and computer will all be provided. Pay is competitive and is based on experience and work history.

**Description:** Will be provided with weekly general job outlines under direction of the operations manager. These jobs will consist of but not limited to the ranch's infrastructure repairs, maintenance of all ranch assets, assisting in family and commercial hunting, and assisting in all cattle related ranch production. All outlines are subject to change at the discretion of the operations manager.

**Applicants:** Please have anyone who is interested in applying for this position send an introduction letter, along with resume, and two reference letters to the Operations Manager, Carlos Ochoa at [cochoa@tworiversranch.com](mailto:cochoa@tworiversranch.com). One letter should be from a previous employer and a second from a personal acquaintance.
