

## SWTJC Wireless Access Instructions

To better secure the SWTJC network, changes are being made to wireless network access. The SWTJC-Personnel and SWTJC-Student network ID's will no longer be available as of Monday, April 9, 2018. You will now be able to log on to the Wireless network named: SWTJC with your college username and password. This is the same username and password used to log on the SWTJC computers and the WebAdvisor. Your log on will be valid for 3 months across all campuses.

1. Navigate to your phone settings and find your Wireless Network settings.
2. Browse for available Wireless networks and select the network named "SWTJC"
3. You will be redirected to a splash screen similar to the following:

The screenshot shows a mobile application interface for logging into the SWTJC wireless network. At the top, there are navigation arrows, a "Log In" button, and a "Cancel" button. Below this is the heading "Welcome to SWTJC". A paragraph of text explains that the wireless network is available to any member of the SWTJC community, supports industry standards, and provides coverage to campus buildings. It also states that system security is protected through passwords and that users should not reveal their credentials. Below the text are two input fields: "USERNAME" and "PASSWORD". At the bottom, there is a "Sign In" button.

4. You will then log in with your Username and Password that is used for WebAdvisor.
5. For those attempting to log on to the SWTJC-Guest wireless network, they will be asked to authenticate by using their Facebook account. The log in page will look similar to the below pictures depending on the device being used:

The screenshot shows a mobile application interface for logging into the SWTJC wireless network using Facebook authentication. At the top, there are navigation arrows, a "Log In" button, and a "Cancel" button. Below this is a blue bar with the "facebook" logo. The main content area features the SWTJC logo (a star with "SWTJC" text) and the text "Southwest Texas Junior College" and "SWTJC WIFI". Below this is a section titled "Check in for free internet" with the text "To check in, sign up for Facebook today." and two buttons: "Sign Up" and "Log In". At the bottom, there is a "Skip Check-In" link and the text "By using Facebook Wi-Fi, you understand and accept Facebook's Wi-Fi Terms and SWTJC WIFI Terms."

If you are having issues logging in to the SWTJC wireless network, please call the Helpdesk at (830) 591-7323.
