

President's Report May 2024

Tech Expansion

Phase 1 – Concrete slab is scheduled to be poured the week of May 13th, the driveway approach has been roughed in and ready to have concrete installed, and building components have begun arriving. The construction will commence once the concrete slab has reached the appropriate psi strength.

Phase 1B – The modular building has been ordered from Palomar and the architect is finalizing the site work blueprints. We anticipate having those ready for Board consideration at the June Board Meeting.

Phase 1C – Renovation for Diesel Expansion Uvalde – The plan calls for a lean-to addition to the building and minor renovation. We should have these items identified and for Board consideration at the June Board Meeting.

Financials

We are eight months into our fiscal year and holding an \$892,000 in excess revenues and \$622,000 in our contingency account. Our Unrestricted fund balance at the beginning of the year was at \$13,826,492. Our team is working on the 2024-2025 Operating Budget. We will be prepared to discuss in detail at the June Budget Workshop.

Name Change

Our team has been busy identifying all the different areas that need to be updated for the name change. We have included an agenda item with authorization for the President to purchase the necessary items to implement the name change on all our buildings, signs, vehicles, banners, flags etc. In addition, we have secured a new internet domain to reflect our name change. We will have an estimated budget provided.

Commencement

We will have three Commencement ceremonies and Friday May 17th at 7pm, Saturday May 18th at 10 am and 1pm. Lunch will be provided on Saturday.

Summer Hours

Our summer hours are Monday – Thursday 8am to 6 pm and Fridays 8am to noon. They will begin on June 3rd and run through August 2nd.
