

President's Report

March 2018

Partnerships

- Upcoming Regional Education Forum – We will host the second forum on April 23, to discuss the future of dual credit with all of our area superintendents, along with Sul Ross Rio Grande College and Middle Rio Grande Education Committee.
- Our staff has been busy coordinating with area schools in their development of JET grants to help fund Career and Technical Education programs at their districts.

Other

Garner Science Building

Sealed bids were received on March 27; staff has evaluated them and will present their recommendations to the Board for consideration at the meeting. The estimated project cost is approximately \$525,000. We will also request authorization to utilize the endowments to fund these necessary upgrades.

Pathways

Our staff has been busy preparing for the next pathways meeting on April 16-18. The focus of this conference is the alignment of high school and dual credit courses with our career and academic pathways (CAPS).

Emergency Training

On May 1-3 we will be hosting and attending a Multi Hazard Emergency Training targeted specifically for higher education. This is an additional step we are taking to be better prepared to handle a multi hazard emergency.
